

Annual Mike Fatke Memorial Hickory Tournament

Manistee Golf and Country Club

June 19, 20 and 21, 2025

This tournament in picturesque Manistee on the shores of Lake Michigan honors Mike Fatke, Manistee Golf and Country Club's longtime course superintendent who took impeccable care of the course he loved and could often be found, late in the day, playing the back nine with his hickories. It also benefits the **Save A Buddy Fund** set up by Mike and his wife Molly to honor their rescue dog, Buddy, by providing financial assistance to individuals to spay or neuter their dogs or puppies.

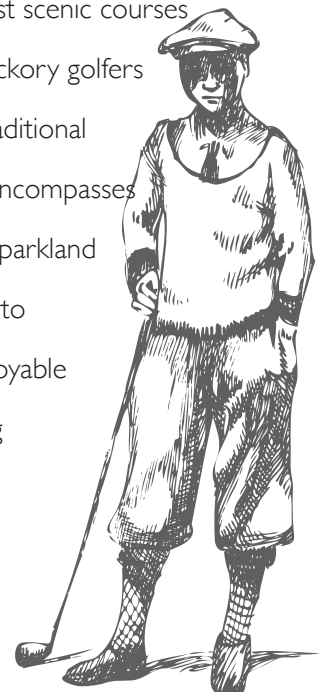

The format is stroke play with Men and Ladies Open and Senior (70+) flights. Awards will be given to low Gross and Net winners. Low Gross scores for men and women will be crowned Champions. Handicaps will be adjusted for those without a hickory handicap. Entry fee is \$275 per player plus \$30 per guest for Friday social event. Included will be a tee gift, opening reception and swap meet Thursday evening, a social event Friday evening, tournament play Friday and Saturday followed by an awards luncheon Saturday.

A Thursday practice round is not included in the entry fee but golfers might wish to schedule a round after 2:00 PM at the MG&CC or during the day at one of the many courses in the area including: Manistee National, Arcadia Bluffs, Wolf Creek Golf Park, Chestnut Hills, Interlochen, Crystal Lake, Pinecroft, Champion Hill, Hemlock Golf Club, Lakeside Links

Established in 1901 and located on the shores of Lake Michigan the Manistee Golf and Country Club is one of the oldest and most scenic courses

in Michigan. Hickory golfers will find the traditional layout, which encompasses both links and parkland characteristics, to present an enjoyable and challenging experience.
